Show Details

Stephanie...in accordance with the May 20, 2009 Letter of Warning (LOW) for the former SECO Products SSDS Installation requesting weekly progress reports, below please find a listing of the SSDS activities completed/performed during the weeks of August 3 and 10, 2009 associated with the Site:

- 1) Contact and discussions with property owner during the week of August 3 concerning accessing facility to begin working in four (4) accessible areas.
- 2) Contact with concrete sub.
- 3) Discussions with building lessee during the week of August 10 associated with update on anticipated schedule for move out.
- 4) Meet with concrete sub at site to review areas that can be started-on and logistics
- 5) Colt still having some difficulty in getting tenant at new facility to move out in a timely manner. Will check-up on status periodically.
- 6) Some minor progress is apparent associated with move out. Colt is taking down and staging some racking for shipment to new facility. Rawlings portion of building has been vacated.
- 7) Ordered column protectors, strut, and pipe hangers for project

## Activities planned the week of August 17, 2009:

- 1) Continue checking on lead time and pricing on other miscellaneous supplies.
- 2) Order miscellaneous supplies as appropriate.
- 3) Will begin cutting concrete, excavating trench, and installing pipe in area of Alignment L, A, K, and B.

Should you have any questions or comments please do not hesitate to contact me.

Regards,

Alan J. Cork, P.E.
